Hi friend. Start here.

Pick one page. That's the whole first step.

This pack isn't one more system to keep up with. It's a toolbox. Pick one page, use it until it stops helping, then pick another. Messy weeks are part of the plan, not a sign you failed.

NOT SURE WHERE TO BEGIN?

The house feels like too much right now

Printing & house rules

A few small things that make this pack easier.

● PRINTING TIPS

- ✓ Made for **US Letter** paper. Print at "Actual size" or "Fit to page". On A4, choose "Fit".
- ✓ Print only the pages you need, as many times as you like. A fresh copy is always one click away.
- ✓ Low on ink? "Draft" or grayscale mode works great. Every page is designed to stay readable.
- ✓ Slip the pages you reuse (routines, chore chart, menus) into a sheet protector and use a dry-erase marker.
- ✓ Cardstock makes a sturdy copy for the fridge or the launch pad by the door.

● THE HOUSE RULES

- ♥ *Done is better than perfect.*
- ♥ *Missed a day? Nothing broke.*
- ♥ *Rest is part of the routine.*
- ♥ *Half a checklist still counts.*
- ♥ *Start again from right here.*
- ♥ *Change any page to fit you.*

Personal use only

Thank you for supporting a small brand! You're welcome to print this pack as often as you like for **your own home and family**.

Please don't share, resell, or upload the file, or print copies for other people. Want to share it with a friend? Send them to our website so they can grab their own copy. Sharing a photo of your filled-in pages is always welcome (and makes our day).

You've got this. One page at a time.

♥ *Messy Brain, Tidy Home*

These pages are here to make everyday home tasks a little easier. They're not medical advice.
